

THE MEDICAL CASEBOOK OF ADOLF HITLER

LEONARD L. HESTON, M.D.
AND RENATE HESTON, R.N.

INTRODUCTION BY
ALBERT SPEER

Medical Casebook Of Adolf Hitler

Marietta Chicorel

Medical Casebook Of Adolf Hitler:

The Medical Casebook of Adolf Hitler Leonard L. Heston, Renate Heston, 2000 Nothing so much as my own descriptions from that period convinced me that Professor Heston and his wife have come to the correct conclusion Albert Speer [The Medical Casebook of Adolf Hitler](#) Dr Leonard L Heston, M.D., 2011-12-06 All New Expanded Edition with Important New Data Remarkable The definitive book on Hitler's health [A First-Rate Madness](#) Nassir Ghaemi, 2012-06-26 The New York Times bestseller A glistening psychological history faceted largely by the biographies of eight famous leaders The Boston Globe A provocative thesis Ghaemi's book deserves high marks for original thinking The Washington Post Provocative fascinating Salon.com Historians have long puzzled over the apparent mental instability of great and terrible leaders alike Napoleon Lincoln Churchill Hitler and others In *A First Rate Madness* Nassir Ghaemi director of the Mood Disorders Program at Tufts Medical Center offers a myth shattering exploration of the powerful connections between mental illness and leadership and sets forth a controversial compelling thesis The very qualities that mark those with mood disorders also make for the best leaders in times of crisis From the importance of Lincoln's depressive realism to the lackluster leadership of exceedingly sane men as Neville Chamberlain *A First Rate Madness* overturns many of our most cherished perceptions about greatness and the mind

War and Drugs Dessa K. Bergen-Cico, 2015-11-17 *War and Drugs* explores the relationship between military incursions and substance use and abuse throughout history For centuries drugs have been used to weaken enemies stimulate troops to fight and quell post war trauma They have also served as a source of funding for clandestine military and paramilitary activity In addition to offering detailed geopolitical perspectives this book explores the intergenerational trauma that follows military conflict and the rising tide of substance abuse among veterans especially from the Vietnam and Iraq Afghan eras Addiction specialist Bergen Cico raises important questions about the past and challenges us to consider new approaches in the future to this longest of US wars

[The Impact of Illness on World Leaders](#) Bert E. Park, M.D., 2016-11-11 In *The Impact of Illness on World Leaders* Bert E Park explores the relationship between leadership and neurologic illness Basing his study on a rigorous examination of primary and secondary source material from medicine history and political science Park diagnoses illnesses which affected the thinking and actions of Anthony Eden and Adolf Hitler among others He discusses the historical situations in which these political leaders functioned and the effects their illnesses might have had on the decisions they made Park argues that the impact of aging and disease on leadership abilities is an important potentially devastating problem which has been ignored by the people in a position to deal with it Physicians who attend men in power supported by government officials and politicians often disguise their patients infirmities and keep them in office long after they are able to function effectively In those few instances when the problem has been addressed it has often been done by journalists or other persons not qualified to make a medical judgment about a leader's health and they have relayed erroneous information e.g. the myth of Hitler's syphilis Part of the goal of *The Impact of Illness on World*

Leaders is to correct such popular misconceptions Park concludes his study of leadership and illness with suggestions for monitoring the health of leaders and deposing them if their health compromises their ability to lead **Dictators in the Mirror of Medicine** Anton Neumayr,1995 **Adolf Hitler and the Nazi Epoch** Paul Madden,1998-11-05 Although bibliographies do exist that concern themselves with the Nazi period in Germany and the Third Reich no one has yet attempted a complete reference source With the publication of Adolf Hitler and the Nazi Epoch there is finally a complete comprehensive reference source designed to identify all English language works that relate to the Nazis and the Third Reich Included in this bibliography are monographs biographies pamphlets and journal articles as well as more general histories of the time period The material is subdivided by subject and organized into eighteen chapters making this large bibliography simple to use The chapter subjects contain a broad range of data Included are chapters on Adolf Hitler himself the origins of national socialism religion and the Nazis articles about education and academics in Germany law and government under the Third Reich the SS and concentration camps everyday life in Nazi Germany foreign policy and more The range of data collected in this one reference location is astounding and should provide a nearly inexhaustible starting point for those scholars and students interested in the history of one of the most controversial political parties and governments of the twentieth century

European Leaders Reese T. Moore,2001 This up to date bibliography gathers materials on ten leaders from 20th century Europe Access is provided via subject and author indexes Contents Charles DeGaulle Winston Churchill Adolf Hitler Benito Mussolini General Francisco Franco Adenauer Konrad Margaret Thatcher Helmut Kohl Francois Mitterand Josip Broz Tito **Adolf Hitler** Eileen Heyes,1994 Traces the rise of Hitler to power and the transformation of Germany to a totalitarian state **Hitler and the Nazi Leaders** John K. Lattimer,1999 Materiale om nazilederne samlet af 1 gen John K Lattimer til brug for N rnbergprocessen **The Journal of the American Osteopathic Association** ,1981

The Publishers Weekly ,1982 **Forthcoming Books** Rose Arny,2001 **Who's who in Frontier Science and Technology** ,1984 **Political Psychology** Margaret G. Hermann,1986 **Hitler, Speeches and Proclamations: 1932-1934** Adolf Hitler,1990 **Chicorel Index to Mental Health Book Reviews** Marietta Chicorel,1986 **Library Journal Book Review** 1980 Jaques Cattell Press,1983-06 **Substance Abuse Book Review Index**, 1981 Jane Bemko,1982 **Doctors & Patients** ,1984 Arzt Patient
