The Retrospect of Medicine, 1898 **Aurorae** D. J. Hoffman, 2012-09 I never thought that I would spend my retirement writing novels. Then again I never planned on hearing a voice not my own inside my head. At my age many of my friends think I am going senile but they are wrong. So this sixty something year old is in front of an old typewriter and waiting. Waiting to hear the rest of this story but it has been months of silence. I am beginning to believe that it is over and the voice is truly gone. Therefore will not be telling their life story and perhaps that is for the best. Everyone knows that I can't type well and my grammar is terrible. That doesn't matter and what does is letting you know this biography. Perhaps I should just put this
