## **Medieval Russian Laws:**

**Medieval Russian Laws** ,1969      **Law in Medieval Russia** Ferdinand Joseph Maria Feldbrugge,2009 Much of what we know about the colourful Russian middle ages comes from legal sources the treaties of Russian Scandinavian warlords with the Byzantine emperors the gradual penetration of Christianity and Byzantine institutions the endless game of war and peace among the numerous regional princes the activities of Hanseatic merchants in the wealthy city republic of Novgorod the curious relationships between the Mongol conquerors and Russian rulers and church dignitaries etc And at the even further fringes of medieval Europe there were the Christian kingdoms of Armenia and Georgia squeezed between the Islamic empires of Iran and Turkey but each possessing their elaborate and original legal systems A discussion of more general questions of legal history and legal anthropology precedes the treatment of these various topics      **Medieval Russian Laws. [Foreword by Austin P. Evans.]** Austin P. Evans,1947

**The Growth of the Law in Medieval Russia** Daniel H. Kaiser,2014-07-14 By examining the growth of legal institutions and concepts in Russia from the twelfth to the fifteenth centuries Daniel Kaiser shows how the process of legal change reflects a gradual transformation of the political life social relations and accepted values of a traditional society Originally published in 1981 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905      **A History of Russian Law** Ferdinand J.M. Feldbrugge,2017-10-02

The beginnings of Russian law are documented by the Russo-Byzantine treaties of the 10th century and the oldest Russian law the Russkaia Pravda The tempestuous developments of the following centuries the incessant wars among the princes the Mongol invasion the rise of the Novgorod republic all left their marks on the legal system until the princes of Muscovy succeeded in reuniting the country This resulted in the creation of major legislative monuments such as the Codes of Ivan the Great of 1497 and of Ivan the Terrible of 1550 After the Time of Troubles the Council Code of the second Romanov Tsar Aleksei of 1649 became the starting point for the comprehensive Russian codification of the 19th century The next period of Russian legal history is the subject of vol 70 of Law in Eastern Europe A History of Russian Law From the Council Code Ulozhenie of Tsar Aleksei Mikhailovich of 1649 to the Bolshevik Revolution of 1917 Brill Nijhoff 2023
