 offers spiritual inspiration for every week of the year A Beautiful Year 52 Meditations on Faith Wisdom and Perseverance
 offers an essay for every week in the seasons of the Christian year From Advent and Christmas to Lent and Easter through
 the entire calendar Other than its major holidays many people are not familiar with the rhythms of the church year an
 ancient spiritual cycle of time Yet all religions have such calendars and they shape our understanding of faith In the West we
 live in tension with the secular calendar mostly an inheritance from the Roman Empire and the Christian liturgical calendar a
 cycle of sacred stories that compose a larger narrative of love hospitality mercy justice and gratitude Bass reclaims and
 presents fresh perspectives for every biblical text in the church year from musing on A Wrinkle in Time in Advent to
 remembering her father s old fashioned blue Christmas decorations and offering a revolutionary reading of the Last Supper
 With fresh insights on familiar stories these essays surprise and inspire challenge and comfort and will be savored year after
 year Beautifully designed the book is also a perfect gift [A Journal of Meditations for Every Day in the Year](#) ,1834 [A](#)
[Spring Within Us](#) Richard Rohr,2018-10-18 In these daily reflections Richard Rohr invites us to rediscover the spring hidden
 inside each one of us He reminds us of our inherent belovedness and God s indwelling presence Remembering who we truly
 are is a gradual lifelong journey Fr Richard offers insights to ease the process and lead us back to our Source Although each
 life moves at its own pace and in different ways our growth does follow a common sequence from innocence through
 inevitable brokenness to putting ourselves back together through ripening into union with self God the world and others The
 author explores each stage drawing from Scripture Christian mystics non dual teachers from various faiths and wisdom from
 other fields such as psychology science the Enneagram and the Twelve Steps He is not teaching new concepts so much as
 framing them in a way that resonates with our intuitive wisdom the truth that our souls already know Each week concludes
 with a unique invitation to contemplative practice Throughout the book Fr Richard also calls us to compassionate action the
 spiritual journey is not merely for our own transformation but for the healing of the world **Share My Pleasant Stones**
