**Meditations and Readings for Lent** Saint Thomas (Aquinas),1979      *The Miracles of Jesus* Wessel Bentley,2012-10-01  
What do the miracles of Jesus have to do with our lives today Wessel Bentley describes Jesus miracles as complex events Not only did they transform people s lives through healing multiplication or resurrection but they also challenged attitudes and beliefs This is what makes Jesus miracles timeless they can still touch our lives today just as they did the lives of people 2 000 years ago Each daily reading in this Lenten book begins with a scripture reading followed by the author s reflections on that passage Rather than being a scholarly verse by verse dissection of the text Bentley s meditations invite you to listen to what God may be saying to you through the Bible passage The daily meditations include thoughtful reflection questions a prayer and a prayer focus that lifts up persons or situations needing the touch of Jesus To make each day s reading further relevant to your life Bentley challenges you to remember at least one aspect of the meditation as you go through your day This unique Lenten study helps you identify with the characters in the Bible stories You will see yourself and others as persons who need grace and have the potential to be transformed by Jesus love An excellent study for Lent but this book can also be used anytime by individuals or groups wanting a deeper understanding of Jesus miracles      **Catholic Lenten Devotional** Peter Akpoghiran J C D,2021-01-25 Lent is a special time in which his passion and death are particularly highlighted and emphasized Thus the purpose of this book is to give brief daily narrations meditations and prayers on the passion of Christ from Ash Wednesday to Holy Saturday A certain order has been assigned to the arrangement of scripture readings meditations and prayers in this book The arrangement is as follows Ash Wednesday The Agony in the Garden Thursday After Ash Wednesday The Betrayal of Jesus by Judas Friday After Ash Wednesday The Arrest of Jesus Saturday After Ash Wednesday The Desertion of Jesus by His Apostles First Week of Lent Jesus Before the Sanhedrin Second Week of Lent Jesus Before Pilate Third Week of Lent The Way to Calvary Fourth Week of Lent The Crucifixion of Jesus Fifth Week of Lent The Death of Jesus Holy Week The Burial of Jesus You will find this book a useful resource material during the period of Lent

Wondrous Encounters Richard Rohr,2010-10-18 Rohr s meditations on the daily readings of Lent are not for the sake of mere information or even for academia although the author hopes it will satisfy both but for the sake of our transformation into our original image and likeness which is the very image of God What always and finally matters for all of us is encounter Father Rohr begins each meditation with a single title or phrase that sums up the point Then he offers the meditation followed by key passages from the readings He ends each meditation with a Starter Prayer that invites you to self disclosure and to enter the wondrous divine dialogue with clarity insight and holy desire There are two moments that matter One is

when you know that your one and only life is absolutely valuable and alive The other is when you know your life as presently lived is entirely pointless and empty You need both of them to keep you going in the right direction Lent is about both The first such moment gives you energy and joy by connecting you with your ultimate Source and Ground The second gives you limits and boundaries and a proper humility so you keep seeking the Source and Ground and not just your small self From the Introduction
