Professor Jane Plant, Imperial College London, UK and author of international bestseller *Your Life in Your Hands*. Being a human being includes difficulties. The authors take this simple fact of life, blend their personal experiences, a model of mindfulness, scientific evidence and a bit of humour. From this they create a book of wisdom, inspiration and practical steps for living.

Lance M. McCracken, Professor of Behavioural Medicine, King's College London, UK. This is clearly one of the best mindfulness books for beginners. You can put it directly into the hands of your clients with no explanations. Clearly a very user-friendly book to have in your clinic.
