It's written in a way you can actually understand and completely up to date for iOS 13. You'll learn about the latest changes and additions to Apple's popular mobile operating system. Important basics are covered including the new way to update, delete, and rearrange apps; use the revamped Photos app and video editor; set time limits for apps; and set your phone up properly to help out in an emergency situation. Learn how to activate the new Dark Mode; swipe to type; stop robocalls; create an iMessage profile; and choose WiFi and Bluetooth connections faster than ever. Understand new settings that can help protect your privacy, including how to share photos without revealing their GPS location; keep apps from accessing your location in the background; and temporarily disable Siri's listening feature instantly. Fun tips include how to get Siri to play any radio station you can think of; find out if movies and TV shows are streaming for free; and make sure you never get charged with a free trial fee ever again. Favorites from the previous edition include how to turn your iPhone into a magnifying glass; scan a document; reveal hidden tools; and use your phone as a level. From beginner to expert, all levels of iPhone users will appreciate the tips inside this book. You'll finally feel more in control of the device you use every day.
