## **Media Moguls:**

Media Moguls Jeremy Tunstall, Michael Palmer, 1991 An account of how a very few powerful individuals come to wield a lot of control in international communications The politics eccentricities and industrial alliances of the moguls including Maxwell and Murdoch are examined in detail Media Moguls Michael Palmer, Jeremy Tunstall, 2006-10-19 The emergence of a few powerful individuals in control of large sections of mass communication industries has coincided with world wide media de regulation In the first book to take a close look at media moguls as a species Jeremy Tunstall and Michael Palmer show how a handful of own and operate entrepreneurs run their empires with a highly eccentric and highly political management style Individuals such as Berlusconi Hersant and Murdoch in France Germany Italy Britain and the US are considered in the context of the changing European media industry The book considers other non mogul trends the emergence of a European media policy and a European US Japanese world media industry Additional case studies focus on Reuters as a news and data super agency and the part played by advertising and other media lobbies in shaping media policy

Arab Media Moguls Naomi Sakr, Jakob Skovgaard-Petersen, Donatella Della Ratta, 2015-03-31 Transformations in the Arab media landscape are a key element in regional dynamics of political change Where do private owners of Arab media outlets stand on the scene What part if any have they played in weakening dictatorships countering sectarianism and political polarisation and reforming business practices in the Arab world Arab Media Moguls charts the fortunes of some leading media investors and entrepreneurs from Egypt Lebanon Saudi Arabia and Tunisia to examine their motives management styles financial performance and links to political power The resulting profiles offer intriguing insights into the place of family education religion and media regulation in regional power structures Globally the rise of small digital media increased competition law and the precedence of more digitally savvy younger generations have fuelled doubts as to whether the archetypal media mogul is a phenomenon with a future How do such factors affect power plays in Arab media Responding critically to existing Western scholarship and commentary on magnates in US and European media this book explores how far existing assumptions and perceptions about powerful media owners eccentricity innovation and risk taking apply in the Arab context and offers a range of alternative approaches to understanding the central position of certain individuals in the fast changing Arab media business **Media Moguls**, 1991 **How to Think Like the World's Greatest New Media**

**Moguls** Marcia Layton Turner, 2001 Noted journalist Dale Buss explores the winning business strategies behind today s most exciting outrageous and successful new media projects and personalities and provides ideas to help readers apply cutting edge strategies to their own businesses Media, Moguls, Megalomania Ursula Owen, Writers and Scholars International Ltd, 1994-09 *Trust Ownership and the Future of News* Gavin Ellis, 2014-06-29 Crumbling business models mean news media structures must change Gavin Ellis explores the past and present use of newspaper trusts drawing on case studies such as the Guardian the Irish Times and the Pulitzer Prize winning Tampa Bay Times to make the case for a form of

ownership dedicated to sustaining high quality journalism      **The Media Were American** Jeremy Tunstall,2008 It has become clear that the U S media are no longer increasingly their grip throughout the globe Asia and the Arab Moslem world is virtually saturated with their own national media output Tunstall produces a well written provocative snapshot at global media today His point of view is relentlessly global he considers the role of the media in the collapse of the Soviet Union the ascendance of the Brazilian and Mexican soap opera the increasing strength of Bollywood the national cinema output of India as well as the relative decline in influence of US media Importantly Tunstall focuses on both the nation state and the geographical and cultural region as crucial levels in today's mass media Both the United States and the US mass media have now lost their previous moral leadership Lone American control of the world news flow has ceased today rather than Global media we see a world media system comprised of interlocking national regional cultural systems Tunstall's assessment is a wake up call for insular American media consumers      [Newmedia.com.au](http://Newmedia.com.au) Trevor Barr,2000 From voice mail to email to the World Wide Web communications have now infiltrated virtually every aspect of our lives In this volume the author explains the exponential growth of media information technology and telecommunications looking at the major stakeholders and the new global economy      *Arab Media Moguls* Naomi Sakr, Jakob Skovgaard-Petersen, Donatella Della Ratta,2015-03-31 Transformations in the Arab media landscape are a key element in the regional dynamics of political change Where do the private owners of Arab media outlets stand on the scene What part if any have they played in weakening dictatorships countering sectarianism and political polarisation and reforming business practices in the Arab world Arab Media Moguls charts the rise of some leading investors and entrepreneurs in Arab media examining their motives management styles financial performance and links to political power Responding critically to scholarship on Western moguls this book uncovers the realities of risk and success for Arab media potentates and billionaires      **Mainstreams of American Media History** Hiley H. Ward,1997 This introduction to media history captures the excitement and personality of ideas events and people who made it happen With a chronology that emphasizes a narrative style anecdotes and a selection of ideas the chapters of this book are devoted to certain movements in American history and the role of media in them Events and personalities are interpreted in the context in which they existed Therefore both the negative and positive aspects of issues events and people who influenced media history are presented Selection of subjects is made on the basis of what is significant interesting and worth remembering Students will find for example the Yes Virginia There Is a Santa Claus column as well as William Allen White's tribute to his daughter at her death Basic themes that run through the course of media history are identified by subheads in each chapter and questions for discussion and research are at the end of each chapter      [Combroad](http://Combroad) ,1992

**Reel History** Robert Brent Toplin,2002 The author makes an argument for clemency in judging Hollywood's interpretations of history and thoroughly investigates its serious limitations and opportunities to construe history      [Rupert Murdoch](http://RupertMurdoch) Arthur D Carranz,2023-10-04 Rupert Murdoch is one of the most powerful and influential people in the world He is

the owner of a vast media empire that includes Fox News The Wall Street Journal and The Sun He has been accused of using his media outlets to promote his own political agenda and to attack his enemies But he is also a brilliant businessman who has built a multi billion dollar empire from the ground up This book is a biography of Rupert Murdoch but it is also a story about the power of the media It examines how Murdoch has used his media outlets to shape public opinion and influence political outcomes It also looks at the dark side of his empire including the phone hacking scandal that rocked the UK media establishment in 2011 Rupert Murdoch is a complex and controversial figure He is a man who has been both praised and vilified But there is no doubt that he is one of the most important figures in the world today This book is a must read for anyone who wants to understand the power of the media and the influence of Rupert Murdoch It is a fascinating and revealing look at one of the most powerful men in the world

**The Global Media Atlas** Mark Balnaves,James Donald,Stephanie Hemelryk Donald,2001-08 A comprehensive guide to the global communications revolution The book is presented in the form of over 50 colour maps which graphically depict the global diffusion of old and new media As well as presenting up to date data the book extrapolates trends on a wide variety of topics illustrating the huge disparities across the media world The topics covered include print media and the digital age phones mobiles media moguls media piracy world music global villages learning online film production Websites of the world advertising standards and regulation and the world of ratings

**Report of Workshop on Media and Democracy** ,2000      **Dynamics of Media Politics** Karen Siune,1992-01-21 The broadcasting and other electronic media are in the throes of a prolonged and vigorous restructuring In this wide ranging and illuminating text members of the Euromedia Research Group analyze the nature dynamics and directions of the changes currently affecting the Western European media Outstanding trends explored include the increasing importance of transnational multimedia corporations and the various challenges from commercialization and privatization to traditions of public service broadcasting The authors also examine the widespread development of local radio and television stations and discuss their regulatory framework
