Mediaeval Studies Volume 34 1972

A. Abulafia

Mediaeval Studies Volume 34 1972:

The Bavarian Commentary and Ovid: Clm 4610, The Earliest Documented Commentary on the Metamorphoses Robin Wahlsten Böckerman, 2020-09-29 The Bavarian Commentary and Ovid is the first complete critical edition and translation of the earliest preserved commentary on Ovid's *Metamorphoses*. Today Ovid's famous work is one of the touchstones of ancient literature but we have only a handful of scraps and quotations to show how the earliest medieval readers received and discussed the poems until the Munich Bayerische Staatsbibliothek clm 4610. This commentary which dates from around the year 1100 is the first systematic study of the *Metamorphoses* founding a tradition of scholarly study that extends to the present day. Despite its significance this medieval commentary has never before been published or analysed as a whole. Böckerman's groundbreaking work includes a critical edition of the entire manuscript together with a lucid English translation and a rigorous and stimulating introduction which sets the work in its historical geographical and linguistic contexts with precision and clarity while offering a rigorous analysis of its form and function. The Bavarian Commentary and Ovid is essential reading for academics concerned with the reception of Ovid or that of other ancient authors. It will also be of great interest for Classical scholars those investigating medieval commentaries and media history and for anyone intrigued to know more about how the work of Ovid has echoed through history. **The Christian Tradition** Jaroslav Pelikan, 1985-12-15 Explores the iconography dogma and liturgy of Greek Slavic and Syriac forms of Christianity.

Medieval Mythography, Volume One Jane Chance, 2019-11-26 The mythic world of Juno Jupiter's consort is one of flesh and begetting of suffering and death and of poetry itself. Exploring the relationship between that realm of the classical gods and the sphere of medieval mythographers Jane Chance illuminates the efforts of medieval writers to understand human existence and the forces of nature in relation to Christian truth. *The Continuum Encyclopedia of British Philosophy: D-J* A. C. Grayling, Andrew Pyle, Naomi Goulder, 2006 [General Guide to the Collections in the Newberry Library](#) Newberry Library, 1973 **The Body Politic in Medieval France** Erica Piedra, 2006 **Illinois Libraries**, 1981 Includes proceedings of the Illinois Library Association *Popular Culture and Popular Protest in Late Medieval and Early Modern Europe* Michael Mullett, 2021-09-05 This book first published in 1987 looks at the culture of the masses and at the political language and actions of the crowd. It examines the enduring traits of a European demotic culture that was largely non-literate and it then goes on to show how the political outlook of the lower classes arose from the moral attitudes contained in their culture a culture that was deeply suffused by Christianity. Unlike upper class culture popular culture is resistant to change and has to be studied over a long period in this case the fourteenth through the seventeenth centuries. Because its themes popular social values riot and revolt are pervasive over both time and space the book's geographical coverage is extensive taking in most of western and central Europe. [The Canterbury Tales](#) Derek Pearsall, 2013-05-13 This classic and eminently readable work provides a full critical introduction to the complete *Canterbury Tales*. Essential reading for students of

Chaucer *Religion Index Two*, 1982 **Transactions of the American Philosophical Society**, 1984 Held at Philadelphia for promoting useful knowledge **The Literary Geography of Middle English Alliterative Long-line Poetry** Patricia Ann Byles Cathcart Price, 1997 Religious Violence Between Christians and Jews A. Abulafia, 2001-12-03 Exploring deep into the history of the conflict between Christians and Jews from medieval to modern times this wide ranging volume which includes newly uncovered material from the recently opened post Soviet archives seeks to bring positive understanding to controversial issues of inter faith confrontation Here a number of eminent scholars from around the globe come together to discuss openly and objectively the dynamics of Jewish creative response in the face of violence Through the analysis of the histories of both the Christian and Jewish religious traditions we are brought to an understanding of their relationship as a modern day phenomenon **Ordering Wisdom** Mark D. Jordan, 1986 **Metaphysical Themes in Thomas Aquinas** John F. Wippel, 1984 Discusses the generic problem of Christian philosophy and considers Aquinas's views on the nature and methodology of metaphysics and on metaphysics of created and uncreated being **The Routledge Handbook of the State in Premodern India** Hermann Kulke, Bhairabi Prasad Sahu, 2022-01-13 This handbook presents a multilayered and multidimensional history of state formation in premodern India It explores dense and rich local and subregional historiography from the mid first millennium BC to the eighteenth century in South Asia Shifting the focus away from economic and political factors this handbook revises the conventional understanding of states and empires and locates them in their quotidian conduct and activity on socio cultural and concomitant factors Comprehensive in scope this handbook addresses a range of themes connected with the idea of state formation in the subcontinent It includes discussions and debates on ritual practices and the Brahmanical order in early India the Delhi Sultanate and role of Sultans among the Hindu kings the cosmopolitan Islamic cultural influences on Puranic Hinduism cultural background of the Mughal state The handbook examines new questions and ideologies of state formation such as facets of violence and resistance the significance of the autonomous spaces and forests regional elites including Little kings tribal background of some famous cults trade and maritime commerce royal patronage courtly manners lineage formation imperial architecture monuments and temple among others Featuring case studies from different part of the India subcontinent and with contributions by renowned historians this authoritative handbook will be an indispensable reading for teachers scholars and students of early India medieval India premodern India South Asian history Asian history historiography economic history historical sociology and South Asia studies Medieval Philosophers Jeremiah Hackett, 1992 Essays on the philosophical thinkers who lived between the end of the Roman Empire circa 400 and the beginning of the modern era circa 1490 *University of Michigan Bibliography* University of Michigan. Division of Research Development and Administration, 1974 **Religion Index Two: Author and editor index**, 1982 **Latin Manuscript Books Before 1600** Paul Oskar Kristeller, Sigrid Krämer, 1993
