Mediation Quarterly Winter 2000:

Mediation Quarterly, Winter 1998 Michael Lang,Jossey-Bass Publishers,1998 **Applying Family Systems Theory to Mediation** Wayne F. Regina,2011-11-10 The field of mediation currently lacks a unifying theoretical foundation This book attempts to remedy that by presenting one such comprehensive theoretical model Family systems theory is based on the work of Murray Bowen who was among the initial proponents of family therapy Bowen family systems theory describes human relationships and human functioning using a systemic lens that conceptualizes human behavior through an intricate web of emotional processes As a practicing mediator teacher and academic Regina offers a systemic understanding of successful mediation meditation techniques the relationships between disputants and the importance of mediator emotional maturity He discusses the co mediator relationship the effects of multiple partieSSH such as attorneys and stakeholder groups on the mediation process the reasons for failed mediation and the overall importance of theory in practice This book provides a practical guide for the mediation practitioner and will assist both experienced and novice mediators in successfully navigating the often intense emotional minefield of mediation

Divorce and Family Mediation Jay Folberg,Ann Milne,Peter Salem,2004-05-12 Building on the success of their groundbreaking 1988 Divorce Mediation Folberg et al now present the latest state of the art comprehensive resource on family and divorce mediation Paving the way for the field to establish its own distinct discipline and academic tradition this authoritative volume offers chapters contributed by leading mediation researchers trainers and practitioners Detailed are the theory behind mediation practice the contemporary social and political context and practical issues involved in mediating divorce and custody disputes with contemporary families Authors also address intriguing questions about professional standards and where the field should go from here A groundbreaking resource this volume is indispensable for all mental health and legal professionals working with families in transition

Mending Broken Families Emily M. Douglas,2006-06-29 Since the 1970s policy makers and advocates for mothers fathers and children have attempted to remedy some of the inherent problems of divorce such as conflict over the children delegation of decision making responsibilities poor communication skills and lack of knowledge about children experiencing divorce through state level legislation for divorcing or divorced families These policies have taken the forms of mandated mediation legal presumptions for particular custodial arrangements child support orders divorce education programs for parents and parenting plans Mending Broken Families introduces social policies for divorced families by discussing their history and provides the first comprehensive assessment and review of their effectiveness

Mediation John Michael Haynes,Gretchen L. Haynes,Larry Sun Fong,2012-02-01 This mediation how to manual brings together the collective wisdom of two of the field s most renowned founders John Michael Haynes and Larry Sun Fong The book not only covers a range of mediation cases but also uniquely provides feedback from the clients as they reflect on the sessions and report on what worked best for them Beginning with a review of the theoretical underpinnings of the Haynes model of

mediation the book then presents six case studies with each demonstrating one or more of the organizing principles of mediation. The sessions examined reflect the different mediation areas currently being practiced business employment neighborhood adoption education and family. The book goes beyond simply reporting what mediators experience as it shares the insights and motivations of Fong and Haynes. This well rounded approach includes the exploration of the clients thoughts helping readers to incorporate successful organizing principles into their own mediation practices **FICC Quarterly**, 1999

Women's Group Therapy Vera Sonja Maass, PhD, 2002-06-12 Through the use of group therapy sessions conducted within a cognitive behavioral framework the author explores the cultural social and parental influences on women's lives. In depth case studies and transcripts from the sessions illustrate the women's actual step by step process in examining such issues as Self determination Motherhood as fulfillment Consequences of a two career family Divorce Infidelity Competitiveness among women Identifying sources of power within and outside oneself **Conflict and Dispute Resolution** Mieke Brandon, Leigh Robertson, 2007 Conflict and Dispute Resolution is a practical guide to understanding dispute resolution theory in the context of organisational psychological and social work themes. It covers the spectrum of interventions from the prevention of conflict ignoring it managing it through feedback difficult conversations self mediation conflict coaching to facilitative processes such as dispute facilitation mediation conciliation and managing groups and multi party disputes. The book encourages diverse thinking about how conflict impacts not only on the individual but also on relationships in their broadest sense at home at work locally and globally. The authors show how to apply the theoretical aspects of mediation to skill building for conflict management negotiation and mediation and include discussion of assessment methods. Conflict Resolution and Mediation is comprehensive in its coverage of all the skills and processes needed by students coaches mentors and practitioners to help deal with dilemmas and become reflective practitioners. It is complete with case studies clear examples and dialogue extracts to assist in becoming more aware and more effective at being able to provide an appropriate process for parties to achieve their outcome **Expert Mediators** Jean Poitras, Susan S. Raines, 2012-11-08 In the last three decades mediation has been increasingly used in the United States and elsewhere. Much has been written about the philosophical underpinnings and ethical dilemmas of mediation as well as its applications both within judicial systems and beyond the limits of these systems. However some very basic challenges remain. How can entrenched positions strong emotions and cultural differences be dealt with? Mediation expertise is truly achieved when a mediator learns to overcome these challenges through experience and intuition. To speed up the learning curve of mediation expertise Jean Poitras and Susan Raines have benchmarked the mediation process in *Expert Mediators Overcoming Mediation Challenges in Workplace Family and Community Conflicts*. Tapping the experience and wisdom of over 175 highly qualified mediators from across different realms of the mediation practice e.g. family mediation workplace mediation commercial mediation and across geographic regions e.g. U.S. Australia Europe Israel Canada this book integrates best practices in order to improve the

performance of mediators For each proposed strategy this book discusses conditions under which each practice should be used as well as approaches to mitigate risks associated with using each strategy and technique Hamline Journal of Public Law and Policy ,2002 Dispute Resolution Journal ,2003-02 Index to Periodical Articles Related to Law Roy M.
