 The Second Book of Samuel presents the establishment of the kingdom of Israel by David the opening of First Kings shows us
 this kingdom definitely established by Solomon It should be noted that the rule of Solomon forms one Continuous whole with
 that of David The death of the aged king did not cause even a momentary interruption Solomon having sat upon the throne of
 his father during David s lifetime In type this is a unique and continuous reign which while presenting most contrasting
 characteristics according to one or the other of its periods unites both of them in an indissoluble and absolute unity
 Considered in its entirety this reign begins with the rejection of the true king of Israel 1 Sam is consolidated after victory in
 the midst of dissensions of the people and strife 2 Sam and is finally established in peace righteousness and glory at the
 beginning of the book which now occupies us This account as indeed the whole of the Word directs our eyes to Christ and
 presents His reign in all its various phases Rejected as Messiah He appears again upon the scene in the last days gradually
 gathers Judah and the tribes of Israel under His sceptre extends His dominion over the nations by judgments but also in
 grace until the final establishment of His universal millennial kingdom Then in peace and in righteousness He rejoices in His
 victory associating His earthly people with Himself in this *Meditations for Every Day in they Year* Roger Baxter ,1884
 A Course of Sermons for the Year ,1833 *My Daily Meditation for the Circling Year* John Henry Jowett,1914
