Perfect for practicing art therapists, the Wiley Handbook of Art Therapy will also benefit students in the therapeutic professions and anyone else with an interest in the applications, background, history, and theory of a fascinating and practical discipline.

[Handbook of Research on Play Specialism Strategies to Prevent Pediatric Hospitalization Trauma](#) Perasso, Giulia, Ozturk, Yagmur, 2022-10-14

Hospitalization can cause short term to long term issues to children's biopsychosocial health. Play strategies have played a key role in preventing hospitalization trauma. Properly trained play specialists provide children with structured play activities that have proven to be effective in diminishing anxiety, depression, and negative emotions among in-patient children and their parents. These techniques are beneficial to ameliorating children's and parents' coping strategies and treatment compliance. However, discrepancies among countries' healthcare systems in recognizing the value of play highlights the need for major awareness in the field. The [Handbook of Research on Play Specialism Strategies to Prevent Pediatric Hospitalization Trauma](#) spreads knowledge about the potential of playing to protect and increase children's health during hospitalization. The book focuses on play strategies counteracting pediatric patients' trauma, anxiety, depression, and other biopsychosocial negative consequences. It discusses the rights of hospitalized children and the strengths of the play specialism approach. Covering topics such as chronically ill children, pediatric oncology, and culturally sustaining practices, this premier reference source is an excellent resource for child psychologists, psychotherapists, neuroscientists, pedagogists, psychiatrists, nurses, physicians, health sociologists, pediatricians, play specialists, students, and faculty of higher education, librarians, researchers, and academicians.

[Group Therapy for Complex Trauma](#) Judith A. Margolin, 2025-09-30

Group Therapy for Complex Trauma provides a roadmap for professionals trying to address the many issues that arise in group treatment. It's an excellent training resource for mental health professionals working in institutions that provide higher levels of acute care, including inpatient, partial hospitalization, and/or intensive outpatient programs, as well as those running groups in traditional outpatient settings. Chapters pull the most recent theory and practice into one concise resource, addressing not only how to treat complex trauma but also why doing so matters. They also provide guidance for troubleshooting situations that often arise around when conducting groups with a population that is often highly dysregulated. The second section includes exercises and handouts that can be reproduced and shared with participants, enabling them to follow along during

the group session and to complete exercises and review material in their own time [Handbook of Multicultural Counseling](#) J. Manuel Casas,Lisa A. Suzuki,Charlene M. Alexander,Margo A.
